EDITORIAL

We are together with the seventh issue, the second issue of 2017. There are very important announcements for academicians and our journal that International Journal of Kurdish Studies (IJOKS) is indexed by ULAKBIM/TUBITAK. That is, the articles which are published in our journal will be valid for being an associate professor. The second news is that articles published in IJOKS, from the first issue to the latest issue, have been assigned DOI numbers.

The contents in this number of our journal are as follows: First, there is a study under the title of “İnsan- Merkezli Bir Perspektifle Türk’ün Güvenlik ve Kürdün Kimlik İhtiyaçları Birlikte Nasıl Giderilir?” by Ferda Fahrioğlu Akın. Second, there is a study under the title of “Different types of spelling errors made by Kurdish EFL learners and their potential causes” by Ibrahim Abdulrahman Ahmed. And the last, there is a study under the title of “Semantic interpretations in memory” by Omed Barzan Brzoo & Shilan Ahmed Esmail.

We hope that the issues of our journal shall contribute to the field of Kurdish Studies. We thank to the journal employees, authors, reviewers and all the others who have contributed to the preparation process of this issue.

Hope to meet you in next issues...
